Expanding the Range

Quarto Notebook

With a deluxe binding, square spine, ribbon markers and stunning 5-colour embossed designs, the new Quarto notebook recalls the first era of print publishing, from Gutenberg to Shakespeare, when all publications were produced in a quarto format.

Our new range offers a generous page width and taller height than our standard foil journal; it's perfect for longer notes, stories, travelogues and creative contemplations. It will sit equally well on a desk or table at home, and is a joy to use.

Introducing the New

Soft-Touch Journal

Another new series from Flame Tree, this time a standard slim paperback with a delightful soft-touch, foiled cover and a foiled page edge. Each design features a striking design based on a black background and contrasting gold stamped effect.

A paperback notebook is light and easy to carry, but still comfortable to write and record your thoughts, to-do lists, recipes, travel notes and creative writing. A wonderful companion to everyday life.
